15th Annual Authors in Kind

The 15th Annual Authors In Kind was held on April 25 at The Metropolitan Club. Authors in Kind features a book signing reception with noted writers, followed by a fun and informative luncheon during which the authors speak about their recent work. This year, God's Love We Deliver was delighted to welcome author, God's Love Board member and event emcee Linda Fairstein; Pulitzer-prize winner Jennifer Egan and her new book *Manhattan Beach*; Jeffrey Banks and his new book about the fashion designer Norman Norell entitled *Norell: Master of American Fashion*; and Alex Guarnaschelli and her latest cookbook *The Home Cook: Recipes to Know by Heart*

It was an inspiring and fun afternoon, and God's Love is so grateful to Linda and all of the authors who signed books and shared their stories with their guests. We would also like to thank Norell New York for sponsoring the event. Photos by Patrick McMullan and Rommel Demano.
