

The Douglas Elliman Ride For Love Launch Party

On July 26th, we celebrated the launch of our 10th annual Douglas Elliman Ride for Love. Over the last decade, this bike ride has raised more than \$1.3 million and we are excited to be back in person on October 1st in West Hampton.

We are so grateful for our partnership with Douglas Elliman and applaud all they do for God's Love and our community. A special thank you to our ride captain, Bridget Harvey, whose dedication and passion inspires everyone around her.

During the evening, we celebrated our riders, launched fundraising efforts, welcomed new riders, and got to know potential sponsors.
