"Food is Love" Apron Designed by Chef Amanda Freitag

The Food is Love apron was designed by Chef Amanda Freitag in collaboration with Cooks Who Feed. The aprons are handmade in India, where they provide safe, fair-wage jobs to marginalized women. In addition to the 100 meals give-back, \$10 from every Food is Love apron goes directly to God's Love We Deliver. Now that's impact!

Whether you choose to add zest with Herbs & Sumac, comfort and coziness with Cocoa & Spice, or a little kick with Smoke & Garlic, we know you'll be thrilled with the ways our spices enhance your dishes. Just ask our chefs and clients!
