About Love Rocks NYC

Love Rocks NYC is a marquee annual music event that raises money and unites new and existing supporters for God's Love We Deliver. The concert, which has become one of the premiere benefit concerts in the country, is known for hosting riveting performances, and unique artist collaborations from many of the world's most talented and revered artists. Each year, on the stage at the historic Beacon Theatre, artists, actors and the audience are brought together for one common goal: to help feed New Yorkers who are too sick to cook or shop for themselves, and do it through the healing power of live music!

All proceeds from Love Rocks NYC benefit God's Love We Deliver.
