

Thanksgiving at God's Love

Thanksgiving is a very special time at God's Love for our volunteers, staff, and clients, and we want YOU to be involved! Join us in the kitchen in November for additional food prep shifts, decorate holiday bags from home, or deliver meals on Thanksgiving with friends and family. Volunteers will pick up meals from distribution centers located in each borough of NYC and deliver them directly to clients' homes. Every hour you spend helps us make the holiday a cheerful and memorable time for our clients.

Volunteer positions for Thanksgiving 2023 include:

- Driver – *volunteers will use their own vehicles to deliver meals to 6-8 households, all in proximity to each other.*
- On-Site Support

In addition to delivering holiday meals, volunteers will deliver a special Thanksgiving tote bag filled with holiday treats.

FAQs: Holidays & Special Projects

Can I volunteer with my family?

Families are welcome to deliver together! We encourage people to bring along at least one adult “co-pilot” to assist in delivering meals.

What are the holidays like at God’s Love?

The holidays are a special time at God’s Love. Our community comes together to help us cook, pack, and home-deliver more than 15,000 holiday meals in Thanksgiving and December. On Thanksgiving, our clients receive a basket filled with treats for their household, in addition to their traditional Thanksgiving feasts (along with an extra meal for a loved one or guest). In December, we deliver gifts to our clients and their children, adding an extra special touch to the holiday season (and let’s not forget their delicious Winter Feast meal for them and a guest, too!)

What should I expect during my delivery shift on Thanksgiving?

Please allot three hours for this shift, and, be sure to arrive at your center location for the time slot you sign up for. Staff and on-site volunteers will help you check in, and, provide you with a client delivery manifest, delivery instructions, client meals and client household gift totes. You’ll then deliver to 6-8 households and then be finished with your volunteer shift and off to celebrate the day in your own way. Happy Thanksgiving! Thank you!

As a Volunteer Driver, you will USE YOUR OWN VEHICLE to deliver meals to clients — typically between 6-8 households, and all in proximity to each other. You will also deliver a small shelf-stable meal bag per household.

Where do you need the most help on Thanksgiving morning?

Our highest-need volunteer opportunity is delivery, by car, in the Bronx, Queens, and Brooklyn.

How can kids help on Thanksgiving?

Kids are welcome to deliver with their caregivers AND we have a new volunteer opportunity this year! Help our volunteer drivers make deliveries in style this holiday season by drawing “Delivery Volunteer at God’s Love We Deliver” signs for their dashboards. These are not official City-approved signs, but a special way for delivery drivers to indicate to passers-by the important work they are doing. Email volunteer@glwd.org to get started.

What if I need to cancel my Thanksgiving volunteer shift?

If you need to cancel your Thanksgiving Day volunteering registration for any reason, please contact the Volunteer Department by emailing volunteer@glwd.org.
