

Golfing to Support Regional Economic Development in Wilmington

May 15, 2018

Dust off those golf clubs and get ready for the Wilmington Business Development Membership Invitational Golf Tournament.

Every year, more than a hundred players gather at the River Landing Country Club to show their support for economic development in the region. It's also the perfect

one-of-a-kind networking and fellowship event. Ward and Smith is a proud sponsor of the annual fundraiser, which starts at 8:30 a.m. on Wednesday, May 16.

The Wilmington Business Development is a private, not-for-profit organization that helps companies expand or relocate to Wilmington, North Carolina and surrounding areas.
