
Practice Areas & Industries

Young Moore serves a wide range of clients whose needs span many areas of the law. We serve insurers so they may serve the insured. We help new businesses get the right start and guide established companies to maintain their course. We work with regulatory institutions that safeguard the quality of the homes and businesses in which we live and work. We provide counsel to healthcare institutions challenged by claims of malpractice, and to businesses as they seek to maintain a safe environment for their workers. We advise individuals on managing and protecting their wealth.

For more information on how we can assist you with your legal needs, please select from our main categories (pictured) or choose a specific service area from the list below.
