

Diversity, Equity and Inclusion

At Carruthers & Roth, we are committed to promoting diversity, equity, and inclusion (DEI) in all aspects of our work. Our mission is to create a workplace that celebrates and values differences, promotes fairness and inclusion, and actively works to eliminate discrimination and bias. We strive to integrate diversity, equity and inclusion in everything we do and support DEI because it's the right thing to do and because we believe it will allow us to better serve our clients.

We are dedicated to recruiting and retaining a diverse workforce that reflects the diversity of our clients and the communities we serve. We believe that a range of perspectives and experiences is essential to providing high-quality legal services and achieving our clients' goals.

We believe that everyone should feel safe and supported at our firm, free from discrimination, harassment, and bias, and we strive to create a welcoming environment where all individuals feel respected and valued.

We recognize that achieving diversity, equity, and inclusion requires ongoing effort and a willingness to listen and learn from one another. We are committed to continuous improvement and to creating an inclusive workplace where everyone can thrive.
