

Jeanna L. Childress

Director of Finance

About

Jeanna Childress supports Carruthers & Roth as our Director of Finance. In that role, she oversees all finance and accounting related functions – including business insurance, employee compensation, taxes, investments, database operations, strategic financial planning, analysis, and reporting.

Jeanna has extensive experience in accounting and business operations. She is responsible for financial policy management, reporting and controls, trust account administration and reconciliation, auditing – and more. Jeanna serves on the firm’s Finance Committee, 401(k) Committee and Health Insurance Committee.
