Business Litigation

Carruthers & Roth litigators will help you navigate a broad range of business and commercial disputes – from breaches of contract, shareholder and partnership matters, state and federal regulatory compliance matters to debt collection. We are uniquely well situated to solve your issues, with a talented and experienced trial team complimented by a former in-house counsel that can help you efficiently manage your litigation. Whatever your industry, be it manufacturing, professional, construction, or services, we have the industry-based experience to address your needs. We work tirelessly to protect our client’s interests, whether litigating cases or negotiating a quick and effective resolution outside the courtroom.

Our determined advocacy leverages our experience in complex, high-stakes cases heard before federal and state courts, as well as arbitration panels and administrative agencies.
