God’s Love Receives the Guides Association of NYC’s Outstanding Achievement in NYC Food Award

By Lauren Jacobs, Key Donor Associate, Experience Liaison

On Monday, February 21, the Guides Association of NYC (GANYC) held its 8th Annual Apple Awards virtually. GANYC is an association of independent, professional tour guides based in New York City. The GANYC Apple Awards celebrate individuals and organizations that make New York City great! Over a dozen awards are given out each year from across the five boroughs. This year, God’s Love We Deliver was nominated and won the award for Outstanding Achievement in Food in NYC for our leasing of the Northern Dispensary in the West Village.

Individual Gifts Officer, Brandon Bryant, accepted the award on behalf of all of us at God’s Love and gave thanks to GANYC, our friends Neil and Marika Bender, and fellow nominees. Brandon concluded by highlighting the plaque outside of the Northern Dispensary which reads, “Heal the Sick”, a befitting message which connects directly to our mission to provide nourishment to those who are too sick to shop or cook for themselves.

Following Your Heart: Reading Nutrition Labels

How often do you read a nutrition label before purchasing an item at the grocery store or diving into a bag of chips? The nutrition label can tell you a lot more about a food than just the number of calories. In the spirit o...
