This holiday season send a “Gift from the Heart” and help God’s Love We Deliver provide nutritious meals to New Yorkers living with life-altering illness.

We’re thrilled to share our brand-new 2022 catalog that includes treats from our Joan Rivers Bakery, brand new spice blends our chefs have developed in partnership with Burlap & Barrel, and trays created and curated by John Derian and Alfredo Paredes Studio as well as a “Gratitude” candle created exclusively for us by Harlem Candle Company for your home. You can also choose from our holiday tribute cards and program items to sponsor.

100% of the net proceeds from the catalog sales will benefit God’s Love We Deliver.

Orders must be received by the following dates to ensure prompt holiday delivery. Please note that for large holiday orders we require at least 7 working days to fulfill.
Spice Blends in Partnership with Burlap & Barrel

Looking to spice up the winter months? Now’s the time to add zip and flavor with spices used in the God’s Love kitchen!

We are honored to partner with Burlap & Barrel, a single-origin spice company based in NYC, to develop these blends that we use in our clients’ meals. Whether you choose to add zest with Herbs & Sumac, comfort and coziness with Cocoa & Spice, or a little kick with Smoke & Garlic, we know you’ll be thrilled with the ways our spices enhance your dishes. Just ask our chefs and clients!

Note: Spices are all salt-free (just like in our kitchen!) but will surely spice up your dish!
