Imagine living with a debilitating illness.
Imagine being too sick to shop or cook.
Imagine trying to make ends meet below the poverty level.
Imagine living in one of NYC’s most underserved neighborhoods.

Now imagine enduring all of that, at the same time.
That’s the daily reality for most of the people whom God’s Love helps.

It’s easy to lose hope when the odds are stacked against you. But thanks to the generous support of those gathered around our Kitchen Table, the people we serve feel hopeful again—and a whole lot less hungry, too.

Why "The Kitchen Table"?

By becoming a monthly donor, you help set the table for our friends and neighbors who need our help.

When you reflect on your favorite moments at home with loved ones, chances are good you're sitting around your kitchen table... swapping stories, laughing until you can hardly breathe, reaching for a napkin to dry a few tears. There's something inherently warm and welcoming about that space, isn't there? Sure, it has something to do with sharing a meal, but the connection goes far beyond please pass the potatoes and I'm going to need this recipe. It's not really about the food. It's about care. It's about community.
