Help our clients celebrate their special day!

Since 1985, God’s Love We Deliver has baked and personalized a cake for each of their clients living with serious illness on their birthday. You can be a part of it!

With each person who joins the God’s Love “Birthday Bake sale” and sponsors a cake for $10, we will be able to send a cake to one of our clients. Together we can ensure that thousands of New Yorkers living with serious illness don’t feel alone on their birthday.

Make this the happiest of birthdays for each one of our clients by providing them with their own cake and decorated card, and join us in letting them know someone cares.

Everyone deserves a birthday cake on their special day. Especially our neighbors living with illness.

COVID-19 has made this year so difficult. But a bright spot through it all has been the birthday cake we send to every client on their special day. Join us!

When you donate, you become part of a joy-filled community that provides so much more than food on a plate. Together, we can deliver compassion, connection, and care to someone who needs it most. Especially during the holidays.

Deliver cake, deliver love: sponsor a birthday cake for a sick New Yorker on their special day.
