Partnering with Healthcare

God’s Love We Deliver has numerous partnerships in the healthcare field with both managed care organizations and health systems. To establish a partnership or contract with us or for more information, email partner@glwd.org.

God’s Love We Deliver is the recognized leader in meals for people living with serious, life-altering illness in the New York City metropolitan area. In sixteen years working as a preferred meal provider for insurers, hospitals, and physicians’ groups, we’ve delivered more than 2.25 million meals to members in the NY metro area.

We work with every managed care organization in downstate New York, primarily with MLTC partners and an increasing number of hospitals, IPAs, ACO’s and other insurance types, including PACE and MAP. We also partner on In Lieu of Service (ILS) and Value Based Payment (VBP) arrangements to address the social determinants of health. To see the full list of our partners, please check our FAQs. For more information, email partner@glwd.org.

A current contract partner can get meals for a member by sending a service authorization including member and diagnosis information by secure email to healthcarepartners@glwd.org or fax (212.294.8189); or call us at 212.294.8187 for more information.

Again, to establish a partnership or contract with us or for more information, email partner@glwd.org.

The Evidence for Medically Tailored Meals

Our Partners Are

MEDICAID MANAGED CARE - IN LIEU OF SERVICES (ILS)

New York State approves cost–effective, medically appropriate, alternatives to regular Medicaid State Plan services included in the Medicaid Managed Care Organization (MMCO) benefit package. These cost–effective alternative services are called “in lieu of services” (ILS). ILS is only available through Medicaid managed care. Medicaid managed care plans can only offer an ILS if they have the State’s approval. Our Medically Tailored Meals have been approved through Amida Care’s Live Life Plus (HIV SNP).
