Volunteer

God’s Love has been deemed an Essential Service Provider in New York City and will continue working to cook, package, and deliver delicious, medically tailored meals to our neighbors living with severe and chronic illness during the COVID-19 crisis. We need your help in so many ways:

Help us cook in the kitchen
Pack out meals in meal kit assembly
Help deliver: by walking deliveries, emergency meal deliveries, or van assisting
Deliver meals on Thanksgiving

We know fresh, healthy meals can make all the difference in the world if you or someone you love is living with a chronic or life-altering
illness like cancer, Alzheimer’s, renal failure, COPD, HIV/AIDS, or other serious condition. We deliver delicious meals right to your door whether you’re living with or recovering from an illness, and having trouble shopping or cooking. Our Registered Dietitian Nutritionists work with you to design your individualized meal plan. We’re here for you! (We support healthcare providers getting meals for their partners, too).

- Use our Eligibility Screener to see if you or your loved one qualifies for our program
- Find out if you qualify by checking our Client Services FAQs page or by emailing us at clientservices@glwd.org

Here’s how we are responding to the challenge of COVID-19 this year...

- Daily meal production increased 25%
- New safety protocols for volunteers and staff
- Enrolled 3,200 new clients (Since March 2)
- 210,000 shelf-stable meals distributed

Please help us meet the growing need today!
