Tours and other in-house opportunities for kids at God's Love have been temporarily suspended due to COVID-19. We look forward to reinstating tours when the timing is right! Thank you.

Opportunities for Kids

There's so many ways to give to support our mission through volunteerism and we understand the importance of getting kids involved with philanthropy at a young age. We work with families, student and community groups, Troops and more who want to volunteer. To find out about Thanksgiving volunteering, please [click here](https://www.glwd.org).
