Tours and other in-house opportunities for kids at God’s Love have been temporarily suspended due to COVID-19. We look forward to reinstating tours when the timing is right! Thank you.

Opportunities for Kids & Families

There are so many ways to support our mission through volunteerism and we understand the importance of getting kids involved with philanthropy at a young age. We work with families, student and community groups, troops and more who want to volunteer. To find out about Thanksgiving volunteering, please click here.

Throughout the holiday season
