A New Record: 30% More Meals This Fall

By [Emmett Findley, Director of Communications](#)

God's Love We Deliver is now cooking, packaging, and home-delivering THIRTY PERCENT more meals this fall than last fall. Nearly 13,000 medically tailored meals are going out the door each weekday, and this is only possible thanks to YOU and YOUR support. Every \$10 you give funds a meal, and every hour of volunteerism helps us continue and grow our life-saving mission. Tell your friends, tell everyone you know – God's Love We Deliver is here for New Yorkers living with severe and chronic illness. Please reach out – we are here to help!
