

On Tuesday, August 1, God's Love We Deliver hosted a Q & A with cookbook author Elettra Wiedemann, moderated by cookbook author and God's Love Cookbook contributor Katie Workman. Guests, who were members of our Legacy Society and Golden Heart Society, enjoyed cocktails and hors d'oeuvres catered by Canard, Inc. Our thanks to Elettra and Katie for their lively discussion about how to cook on a budget... of limited time, cooking with family, favorite recipes, and more! The Legacy Society is comprised of God's Love supporters who have chosen to include the charity in their estate plans. Thank you to Elettra, Katie, and our guests and supporters for a wonderful evening supporting God's Love! Check out photos from the evening [here](#).
