On Monday, November 24, God's Love had a great group of volunteers join us in the kitchen, as we continued preparing for Thanksgiving. Recording artist Adam Barta, Gabriela Isler (Miss Universe) and chefs from Master Chef Season 5, Francis Leggere and Victoria Scroggins, all joined us for a fantastic morning of peeling and chopping veggies all while laughing, inventing new dishes for the holidays and learning about God's Love.

Thanks to this fantastic team of volunteers and ambassadors for volunteering and giving back to our community. [Watch their video from the morning!](#)
