

June is National LGBT Pride Month and God's Love We Deliver was thrilled to participate in the festivities! Many of our corporate partners scheduled volunteer shifts specifically for their LGBT groups. One in particular, organized by our fantastic Thursday evening volunteer Neil, was the New York City Law Department's Pride team that volunteered for both Sunday shifts for the second year. Members of our staff attended Pride events throughout the month including the NYC Council Pride Celebration with Christine Quinn, the Mayor's LGBT Pride Celebration and the LGBT Professional Networking event held by the Manhattan Chamber of Commerce. And of course, the month's celebrations culminated with the 43rd Annual Heritage of Pride March on Sunday, June 24th. This year, we partnered with Whole Foods Market and had our largest turnout ever of staff, volunteers, supporters and friends. Thank you to everyone who joined us – you can check out the photos [here](#). And finally, last year's Pride march was incredibly special since it was right after New York State declared gay marriage legal. One of our Monday morning volunteers Tedman took the occasion to propose to his partner while marching with God's Love. And a week after they marched together in *this* year's, they got married! Congratulations Tedman and Cory!!
