

We recently hosted our 2nd Annual Cocktails for a Cause and what a night it was! Gathered together in a cozy bar in Midtown, staff, volunteers and supporters of God's Love came together to watch our very own T.J., Stephen, Em and Kate mix cocktails and pour beer for a good cause. The foursome were guest bartenders for the second year in a row, with all their tips going straight to God's Love We Deliver. Friends of God's Love came out in droves, packing the bar and tipping generously... so generously in fact that we raised twice as much as last year's, totaling \$2,000 in just 3 hours! That's over 200 meals for our clients! Who knew drinks with friends could do so much?!

We are so grateful to all those who came out to support us, invited their friends and made the night such fun. While we're already looking to make next year's bigger and better, you can check out photos from this year's event on [Facebook](#) and on [Flickr](#).
