On October 12 God's Love We Deliver celebrated their 20 year relationship with Ford Motor Company. The evening also marked the end of Ford employee Bill Collins' 28 year career with the company. Over the years, Ford has donated more than \$800,000 to our cause, including vehicles as well as providing volunteers from the New York Regional office. Jim Vella, President of the Ford Fund, joined in the celebration and announced a surprise gift of \$50,000. Thank you Ford Motor Company for your 20 years of support!
