We are so excited to be featured in this month's New York-Presbyterian PPS Newsletter, under the collaborator spotlight: *God's Love We Deliver Creates a Referral Tool for Medically-Tailored, Home-Delivered Meals.*

We would like to thank the Clinical Operations Committee for giving us the opportunity to present the Food and Nutrition Services Referral Tool at their meeting and for encouraging hospital care coordinators to assess those members at greatest nutritional risk who would benefit from medically-tailored, home-delivered meals.
