

God's Love Board member, Chris Lacovara, and Sam Green hosted a magical cocktail reception, "Change," this past Saturday at their Cherry Grove home, Blueberry Hill.

The reception was in recognition of more than 30 years of tremendous support provided to God's Love We Deliver by The Pines and Cherry Grove communities.

God's Love would like to thank Chris and Sam for their incredible hospitality and co-hosts Michael Coffindaffer & Frank Borsas, Charlotte Neuville, Jeff Pfeifle & David Granville, Doreen Katen and Scott Bruckner for their great support.

We look forward to the next 30 years as we continue to help our neighbors living with life altering illnesses.
