

More than 900 generous volunteers joined God's Love We Deliver staff, celebrities, local politicians and board members in preparing and delivering more than 3,200 meals for people living with HIV/AIDS, cancer and other life altering illnesses in New York City, and nearby Hudson County, New Jersey. Of our 3,200 meals, more than 850 were guest meals, so that each client could invite a friend or family member to spend the holiday with them. Our meals today were delivered in a cheerful, hand-decorated bag designed by local school children.

Each household also received an emergency "Blizzard Box" full of delicious, nutritious foods to tide them over in the event of a weather-related emergency as well as holiday gifts to make the season special.

Check out our photos from Winter Feast on [Facebook](#) and we will soon have them on Flickr.
