God's Love We Deliver Attends the 2022 DIFFA Grants Reception

This year, God's Love We Deliver was generously awarded a \$10,000 grant from [Design Industries Foundation Fighting AIDS \(DIFFA\)](#). DIFFA's mission is to grant funds to organizations providing treatment, education, and assistance for people impacted by HIV/AIDS, homelessness, hunger, and mental health issues.

On the evening of Wednesday, November 16th, DIFFA graciously held a reception at sBar to honor all their grantees. Ruth Schlossberg, Development Manager- Major Gifts, and Shreya Ghosh, Key Donor Associate, Major & Individual Gifts at God's Love We Deliver, attended this reception. Ruth and Shreya were happy to meet with the DIFFA team and board members along with fellow grantees. Among some of the people they met were Dawn Roberson, Executive Director at DIFFA and Steven Williams, Associate Director at DIFFA. Dawn and Cindy Allen, DIFFA Chair of the Board of Trustees, who is with Interior Design Magazine, individually announced each grantee. It was a wonderful evening with delicious food and cocktails in which grantees and individuals with common interests got to meet and mingle about ways they can work together to achieve their missions.
