God's Love We Deliver Receives Top Recognition from Charity Navigator

By [Natasha Bunzl, Communications Associate](#)

God's Love We Deliver is thrilled to announce our 7th consecutive 4-star rating from Charity Navigator. This award recognizes our commitment to accountability, transparency, and strong financial health. With this award, the charity joins the top 6% of the 1.5 million charities rated by Charity Navigator who have received this rating for seven years in a row or longer.

We believe that being sick and hungry is a crisis that demands an urgent response, and that is why we have no waiting list. This immediacy of response is only possible because of our responsible use of resources and the generous support of donors. This award recognizes why more than 30,000 people decide to donate funds to God's Love each year.

Since 2002, Charity Navigator has awarded only the most fiscally responsible organizations a 4-star rating. In 2011, they added 17 metrics, focused on governance and ethical practices as well as measures of openness, to their ratings methodology.

"We will continue to keep our standards high so that our clients and our donors know how much we value their confidence and generosity."

"Our donors know that when they give to God's Love, their gift truly makes a difference, because they have seen how efficiently we use their support to care for people living with life-altering illness. We're honored to be recognized for this effort by Charity Navigator," says David Ludwigson. "We will continue to keep our standards high, so that our clients and our donors know how much we value their confidence and generosity."

As an organization that began during the height of the HIV/AIDS pandemic, God's Love knows the importance of responsibly-managed resources in order to address large-scale public health crisis.

"God's Love We Deliver's exceptional 4-star rating sets it apart from its peers and demonstrates its trustworthiness to the public," according to Michael Thatcher, President & CEO of Charity Navigator. "Only a quarter of charities rated by Charity Navigator receive the distinction of our 4-star rating. Based on its 4-star rating, people can trust that their donations are going to a financially responsible and ethical charity when they decide to support God's Love We Deliver."
