

The God's Love We Deliver family mourns the death and celebrates the life of American film icon and AIDS advocate Elizabeth Taylor. Her dedication to the de-stigmatization of HIV/AIDS and her support of all people affected by HIV/AIDS was unprecedented. Her prodigious fundraising helped organizations like God's Love We Deliver – and those around the globe – carry out our life-sustaining work. Thank you, Elizabeth, for a lifetime of dedicated service and for your legacy of caring that will go on forever. You will be truly missed.
