

On September 16, Jonah Disend and Laura Michalchyshyn (co-chairs of The Leadership Council) and The Leadership Council of God's Love We Deliver joined together, with God's Love staff & some of our most amazing supporters to kick off our fall season, held at the magical home of Leadership Council members Katy and Greg Williamson. It was a wonderful evening where we had a great opportunity to update everyone on our operation, our return to SoHo and discuss the continued growth of God's Love. We had the pleasure of finishing off the evening with a lovely talk from The Fabulous Beekman Boys. View our photo gallery of the fabulous evening.

On behalf of everyone at God's Love, we thank our motivated Leadership Council members for their leadership, their care, their belief in our mission, and their strength in bringing even more friends and supporters to our God's Love community.
