

We are so excited to announce that our volunteers, Kimberly and Michael, got engaged last week! What had started out as a birthday party celebration for Michael (happy birthday!) turned in to a surprise engagement, in front of friends.

Kimberly started volunteering with God's Love on the Monday morning pack out shift 5 years ago and Michael started volunteering with us shortly after they met. Since our move to Brooklyn, they've switched to Monday nights and it's always great to have them in our kitchen, chopping veggies and laughing and being awesome. (Just look at this great photo of them from our Volunteer Appreciation Party!) Please join us in congratulating them!

Kimberly and Michael: congratulations!!!
