## **A day with Miss Universe: Delivering Meals to our Clients**

By [Emmett Findley, Director of Communications](#)

On July 31, Miss Universe Catriona Gray stopped by to volunteer with us as a Client Meal Delivery volunteer. Catriona has volunteered with us throughout her 2019 reign in the kitchen and in special events, and we're extra grateful that she took a whole day to deliver meals to our clients.

Client Meal Delivery is our *\*most-needed\** volunteer shift and Catriona took it on! In total, Catriona made over 50 stops with her driver Vladimyr, delivering meals and delivering love to our clients affected by serious illness.

There are so many benefits to the Client Meal Delivery volunteer shift: you'll get great exercise, see the City, meet our clients, and have the great satisfaction of knowing you're doing something great to support our most vulnerable neighbors.

Interested in volunteering with us? Make like Miss Universe and sign up for Client Meal Delivery today!
