

Thanks to everyone who attended the Outsider Art Fair in support of God's Love! For the second year in a row, God's Love was the beneficiary partner of the Fair. 100% of ticket sales sold on our website for the opening night of the Fair went directly to support our work. Friends, supporters and members of our young professionals group, generation LOVE, all came to enjoy good food, good drinks great art and great company. [Check out the photos from the Fair.](#)
