

On Sunday, November 2nd, five amazing God's Love teammates took to the streets to run the TCS NYC Marathon. We were excited to cheer on Gene, Erin, Steven, Kevin and Tim who ran the Marathon on our God's Love team! Not only did they train to run 26.2 miles, but they went "the extra mile" by fundraising for God's Love! In total, our team raised over \$15,000 for God's Love, which funds over 1,500 nutritious meals for our clients, their senior caregivers and their children.

To our runners: thank you for going the distance for God's Love! And congrats on finishing this amazing Race! [Support their fundraising efforts here.](#)

See you at the Race to Deliver! ☺
