Remembering September 11

Today is the 17th anniversary of the devastating September 11 attacks on New York City and our country.

As we observe that fateful day, we also remember and honor the critical role God's Love played in the days following the attacks. God's Love prepared and delivered more than 3,000 meals for first responders and served as a respite place. .

Seventeen years later, rising to help during this terrible time in our community remains a significant point of pride for us.

Today, we stand by all who lost friends, family, and colleagues on that tragic day.
