On Thursday, May 19, more than 200 friends and supporters of God's Love We Deliver attended a cocktail party to launch "generation LOVE," the young professionals supporters of God's Love. Karen Pearl, President & CEO, made remarks about the importance of young people supporting the present and future of God's Love We Deliver. Host committee member Bryan Frank shared his personal story of why he is involved with God's Love, and encouraged guests to join the monthly giving program, Kitchen Cabinet. All guests were then invited on personal tours of the rooftop garden and kitchen by host committee members Jens Audenaert, Carlo Cisco, Josh Cohen, Bryan Frank, Trent Huffman, Alexandra Idol, Christina Idol, Douglas Kurdziel, and McKenzie Roman, as the sun set on a beautiful night with wonderful friends to support this important cause.
