## Submit a Recipe for National Nutrition Month

By [Lisa Zullig, Director of Nutrition Services, MS, RDN, CSG, CDN](#)

March is National Nutrition Month, and this year we are celebrating our clients' unique culinary roots and would love your participation. We invite you to submit a personal recipe for inclusion in a client e-cookbook and for potential adaptation for the God's Love menu!

Your recipe can be a treasured family dish, a cultural staple, or simply a favorite food! We would love to hear more about the story behind the recipe: what it means to you, why you selected it, who first made it for you, or information about an important ingredient. Feel free to submit more than one recipe!

All complete recipes received by the end of March will be included in the e-cookbook, and at least one recipe will be selected by our Chefs to be adapted for the God's Love menu for many people to enjoy. You can submit a recipe anonymously, but to be considered for the God's Love menu you must provide your name so we can contact you.

### How to Submit a Recipe

- Visit <https://godslovenyc.org/ClientRecipes2023> to complete the form with the recipe and other details you'd like to share.
- Take a photo of your recipe and email it to [directorofnutrition@glwd.org](mailto:directorofnutrition@glwd.org). Be sure to include your contact information so we can reach you.
- Write your recipe on the form below and return to your driver at a future delivery.

Thank you in advance for your contributions to this important community activity. We look forward sharing the e-cookbook and the client inspired menu item with you this spring!

Note: We will not be able to return any recipes. By submitting a recipe, you are agreeing that God's Love We Deliver can include it in the e-cookbook. In addition, you understand your recipe will be accessible to the public on the God's Love We Deliver website. By adding your contact details, you agree to be contacted by God's Love staff to discuss the recipe and its story, and if selected, your recipe to be adapted.

Healthy regards,  
The Nutrition and Culinary Teams  
God's Love We Deliver
