

GOD'S LOVE WE DELIVER®

<https://www.glwd.org>

We are so happy to have the continued support of the [FEED Foundation](#) for our Children's Meal Program. For our clients who are too sick to prepare meals for their own children, the FEED Foundation's generous \$15,000 grant helps us deliver healthy, nourishing meals that keep these kids from going hungry. We were also grateful to have FEED Projects join us in May to volunteer in our kitchen. The FEED Foundation supports national and international programs that fight hunger and eliminate malnutrition around the world—one child at a time. As of 2011, the FEED Foundation, in partnership with FEED Projects, has provided nearly 85 million free, nutritious school meals to children globally. This is our second year in partnership with the FEED Foundation, and we are thankful for their continued support!
