

GOD'S LOVE WE DELIVER®

<https://www.glwd.org>

My name is Regina Williams and today is my last day as Facilities and Office Services Associate here at God's Love. After eleven and a half years, it is time for me to retire but please know that I have loved every moment of my time at God's Love.

God's Love has been family to me. I have met a lot of great volunteers who came through our doors and worked so hard for this community. I'm so glad to be a member of this great company that does so much for so many. Not only are we taking care of our neighbors who are too sick to shop or cook for themselves, but we also take care of our volunteers, staff and friends.

It has been an honor speaking to clients who love the delicious & nutritious meals we deliver and speaking to the volunteers who come at all hours of the day to help.

I'm so glad that God's Love came into my life. Everyone at God's Love is so warm and friendly. From the first time I walked into God's Love, I knew that I wanted to be a part of this organization... and I still feel this way! I will be back to join the volunteers – I can't let this be the end for me! Everyone who is a part of God's Love is extraordinary. If you want something to do and to give back to the community, all you need to do is look right here. You will be back, as I will. Thank you, God's Love. You made my days, my months and my years.
