

For seven years, the Greater New York City Affiliate of Susan G. Komen® has supported our nutrition services for women diagnosed with breast cancer and their families. On Sunday, September 7th, the 24th annual Komen Greater NYC Race for the Cure took place in Central Park. Race participants were encouraged to fundraise and collect pledges— funds that ultimately help Komen Greater NYC provide more grants to organizations like God's Love. Thank you Komen Greater NYC for your generous and continuing support.
