We are happy to announce a new grant from the Mario Batali Foundation in support of our Children's Meal Program, helping vulnerable children throughout New York City. [The Mario Batali Foundation](#) was established to feed, protect, educate and empower children, encouraging them to dream big while providing them with the necessary tools to become an active force for change in today's world. In an effort to do so, the MBF strives to ensure all children are well read, well fed and well cared for. Everyone at God's Love deeply appreciates the Mario Batali Foundation's generosity and is thrilled for this new partnership.
