

Last Monday we held our annual Volunteer Appreciation Party at the Copacabana, called The Volunteer Celebration sponsored by American Express. As we do every year, we had a fabulous time honoring another wonderful year of wonderful people doing wonderful things. We truly have the best volunteers in the world and we had a blast spending the evening celebrating them. This year we honored all volunteers who have given over 1,000 hours of service. What an incredible feat! So please join us in a round of applause for these amazing individuals who have given of their time and talents:

Minna Lipkin, Fred Goldberg, Marilyn Bardo, Barbara Rubel, Joyce McShane, Mark Heflin, Don Eckert, Pierre Brown, Ann Bodnar

Thank you to American Express for sponsoring this year's Party and for their incredible support. Please check out our [Facebook album](#) for photos from the fabulous night.
