

The Avon Walk for Breast Cancer, a 39-mile fundraising project of the Avon Foundation for Women, took place this weekend. It is a very emotional and exciting event for the thousands of walkers and their families.

God's Love participated in both days of the Avon Walk. On Saturday, we welcomed the walkers at the Cheering Station who signed every inch of the Avon banner and enjoyed Chuck's brownies. For the 7th year in a row, we provided the lunches for all of the walkers and crew on the second day of the walk. They are always happy to see God's Love arrive with the lunches because they know the sandwiches, salads and, of course our signature brownies, are going to be delicious. This year was no exception as everyone raved about the food. We joined the Avon Team at the closing ceremony on Sunday to celebrate cancer survivors and the success of the event.

A special thanks to all of our volunteers involved in making the weekend happen! Thank you for representing God's Love and for cheering on such a phenomenal group of walkers and volunteers.
