

We are delighted to announce that our move to our new home in the Michael Kors Building at God's Love We Deliver is complete. We are extremely excited to be working from our expanded home, and can't wait for you to join us.

Two weeks ago, we moved our Delivery and Meal Packaging Departments, and our van assistants and meal packaging volunteers have been cheerfully volunteering since then. On Wednesday, we unplugged the rest of our computers and phones at our temporary home in Brooklyn, packed up the last of our boxes, and watched as moving trucks carted our kitchen equipment and office supplies over the Williamsburg Bridge to SoHo.

The Michael Kors Building will allow us to maintain our commitment to all who need God's Love for years to come. The dream of our new building has become a reality!

Our brand new, state-of-the-art, 9,600 sq. foot kitchen on the second floor has wonderful natural light, and includes four industrial-size refrigerators, three freezers, five blast freezers, five 80-gallon soup kettles, and a waste digester that converts up to 1,000 lbs. of organic food waste into disposable water. Our talented kitchen staff and volunteers are thrilled to be working out of this amazing new space.

It's been 22 months since we moved to Brooklyn, and we thank every volunteer who joined us there. Our volunteers have made it possible for us to keep our services not only going, but growing, and of the highest quality. We cherish their dedication and great spirit, and are full of gratitude for their service.

Every day, more and more sick and hungry New Yorkers reach out to God's Love looking for help. Our move to The Michael Kors Building allows us to continue to respond to the urgent needs of our clients for years to come. We will provide all those who need us with life-sustaining – and life-affirming – services at no charge and without a waiting list.

We look forward to working with all of you in this new home that will allow us to continue to grow and serve our neighbors too sick to shop or cook. Thank you for your caring support!
