Partnerships as Custom-Made as Our Meals

God’s Love We Deliver is the New York metropolitan area’s leading provider of medically tailored, life-sustaining meals for people living with severe illness. Founded as an HIV/AIDS services organization in 1985, today God’s Love has grown to serve people living with more than 200 individual diagnoses. Since our founding, we have cooked and home-delivered more than 30 million medically tailored meals to thousands of our neighbors living with severe and chronic illness, the majority of whom live at or below the federal poverty level. We are a nonsectarian organization.
