At God’s Love We Deliver, we rely on the generous support of individuals, corporations and foundations for the majority of funds that make our important mission possible. In fact, every year your contributions account for 65% of the total funding God’s Love receives. That’s why every single donation, regardless of size, helps provide delicious meals and nutrition counseling for someone living with a life-altering illness.

If you would like to donate via check, please send your donation to:
