

Sponsor Meals for Moms

Mother's Day is just for moms living with severe illness, the joys of motherhood can be a real challenge. But you can help by making a [donation](#) that will give a mother in need a nutritious meal and a helping hand.

Last year, we cooked more than 24,000 home-delivered meals for moms and nearly 38,000 meals for their kids. Your support makes this possible!

[You can make a gift in honor of a mother or special caregiver in your life.](#) Your generosity will help make this Mother's Day, and every day, brighter and easier for mothers in need. We thank you for your caring spirit.

Meet our client Marjolin and her son, Jacob

Our client Marjolin is a single mother raising her young son. She lives with chronic obstructive pulmonary disease which makes breathing difficult, causes her pain, and makes shopping and cooking nearly impossible. With the services from God's Love, she doesn't have to worry how she or her son will get good, nutritious meals. Donate today to sponsor their meals, and meals for moms living with illness in NYC.
