CowParade NYC 2021

CowParade 2021 was an unbelievable success! God's Love We Deliver was honored to bring CowParade back to New York City. The event began in May with the opening of the artist studio, sponsored by CLEAR. Over 70 artists and designers came together in the Artist Studio Sponsored by CLEAR at Industry City to create the eclectic herd of cows that grazed in New York City from August 18 through September

30, 2021. [Click here to meet the cows and artists.](#)

The cows grazed in eight pastures: Industry City (Brooklyn), Hudson Yards (Manhattan), the New York Hall of Science (Queens), Bronx Community College (Bronx), National Lighthouse Museum (Staten Island), Rockaways Beach (The Rockaways), and Macy's at 34th Street and Bloomingdale's at 59th Street. [Click here for the Pasture Map.](#)

At the conclusion of the event, the cows were sold at auction by [Heritage Auctions](#) to benefit God's Love. Thank you to every single artist, sponsor, donor, and buyer involved for helping us spread joy to New Yorkers while raising funds for our live-saving meals.
