

FOOD MEETS: DESIGN

Join us at our brand-new signature event that marries food together with interesting themes. For the inaugural year, we are exploring how food meets design. The event will take place at THE POOL in the landmarked Philip Johnson designed space in the iconic Seagram Building. The luncheon will feature what promises to be very interesting conversations between our guest: the influential interior designer Steven Gambrel, design/lifestyle guru Martha Stewart and host by Michael Bruno and Margaret Russell.

UPDATE: EVENT POSTPONED

Due to the fast-changing pandemic, we are postponing the April 6th Food Meets: Design event. We will reschedule Food Meets: Design after the pandemic.

If you have any questions, please feel free to contact Candy Yun at cyun@glwd.org On behalf of co-chairs Michael Bruno and Margaret Russell, special guests Steven Gambrel and Martha Stewart, and our sponsor Baccarat, we thank you for understanding.
